

SPECTRUM, SPLASH & SAFETY DAY

ON THE SPECTRUM WATER AWARENESS

WATER SAFETY • FOOD • FUN • FAMILY

**SATURDAY
JULY 25, 2026**

1:00 PM – 3:00 PM

DAD'S CLUB AQUATICS

1006 Voss Rd
Houston, TX 77055

Join **Social Motion Skills**, **Village Fire**, and **Dad's Club Aquatics** for an afternoon of family fun and water safety awareness!

Enjoy food, vendors, family activities, pool safety demonstrations, community resources, and more while learning practical strategies to help keep children safe around water this summer.

For Autism Families with kids up to age 13!

**POOL SAFETY
DEMONSTRATIONS**

**MEET LOCAL
FIRST RESPONDERS**

**COMMUNITY
VENDORS & RESOURCES**

**FAMILY-FRIENDLY
ACTIVITIES**

**FOOD &
REFRESHMENTS**

Drowning remains one of the leading safety concerns for children on the autism spectrum. But with early, supportive water-safety experiences, they can begin building comfort, awareness, and confidence in and around water.

Join us for this family-friendly event focused on water safety, confidence, and support. Families will learn practical safety strategies while participating kids are gently introduced to the water in a calm, supportive environment.
